## INTANGIBLE PROPERTY TAX RETURN

### (Revenue Form 62A376)

#### Definitions and General Instructions

Mail the Intangible Property Tax Return, Form 62A376, to the property valuation administrator (PVA) in the county of taxable situs or to the Department of Property Valuation in Frankfort.

**Taxpayer**—All intangible personal property of individuals residing in this state and corporations organized under the laws of this state, unless it has acquired a business situs without this state must be reported for taxation. Likewise, all nonresidents and corporations not organized under the laws of this state that have acquired a business situs within this state must also file the intangible personal property tax return.

**Assessment Date**—The assessment date for all intangible personal property is January 1.

**Filing Requirements**—To properly report, note the following:

- File the return between January 1 and May 15.
- Provide all identification information required at the top of the form.
- File the return with the PVA in the county of taxable situs or with the Division of State Valuation. A listing of PVA office locations and telephone numbers is included in the instructions.
- Individuals who have filed for a federal extension must file on or before the extended due date. These returns must be forwarded to the Division of State Valuation, Personal Property Branch, Frankfort, Kentucky 40620. Returns filed after May 15 will not receive the discount.
- Entities other than individuals may not extend the due date past May 15.
- **Do not enclose the intangible return with the income tax return.**

**Payment of Taxes**—Do not send payments with your return. The sheriff in each county mails the tax bills no earlier than September 15. Returns filed after May 15 are billed by the Division of State Valuation.

#### Classification of Property

*Intangible property consists of any property or investment which represents evidence of value or the right to value under law and custom.* Some types of intangible property to be listed for ad valorem (property) tax purposes include, but are not limited to, the following:

Bonds	Money in Hand
Notes	Money in Safe Deposit Boxes
Retail Repurchase Agreements	Annuities
Accounts Receivable	Interests in Estates
Trusts	Loans to Stockholders
Enforceable Contracts Sale of Real Estate (Land Contracts)	Commercial Paper
	Nonbanking Deposits

#### General Information (Revenue Form 62A376)

The following information provides a section-by-section breakdown of instructions for completion of the intangible property tax return. **All property is valued as of January 1** of the year in which the return is filed. For valuation information or any assistance in filling out this return, contact the PVA at your county courthouse or courthouse annex.

#### SECTION 1: STOCKS, MUTUAL FUNDS, OPTIONS AND WARRANTS

The St. Ledger court decision invalidated unconstitutional treatment of the intangible tax on stocks, and any investment consisting of stocks such as IRAs. This includes mutual funds, options and warrants. These assets should not be listed on this return.

Mutual funds are funds operated by an investment company that raises money from shareholders and invests in securities. There are two types of mutual fund companies; stock-structured and trust-structured (Massachusetts business trusts). They issue shares of stock or units of trust. These assets should not be listed on this return.

#### SECTION 2: MONEY MARKET ACCOUNTS

Money market funds are short-term mutual funds that invest in highly liquid, safe securities. The money market fund net asset value remains \$1. These assets should not be listed on this return.

#### SECTION 3: BONDS

Bonds issued by corporations, churches and out-of-state municipals are taxable. This includes bonds issued by Kentucky corporations. **NOTE:** *Bonds of the United States government, Kentucky state bonds, or municipal and school bonds of the Commonwealth of Kentucky are exempt. Do not list mutual bond funds on this return.*

Column (A), Interest Rate, should be shown to identify which bond is in question; column (B), Maturity Date, identifies the bond; column (C), Face Value, is the full value denomination of the bond when held to maturity, such as \$100, \$500, \$1,000; column (D), Number Owned, should always be shown; column (E), Value of Each, is the listed value of the bond as of the assessment date.

*Example:* Bonds are usually quoted by \$100 quotes. Thus, if a taxpayer has five \$1,000 face value bonds that are quoted at \$85, the \$85 quote means the bond is worth, or buyers are willing to pay, \$85 for each \$100 in a \$1,000 bond. Therefore, a \$1,000 bond is valued at 10 x \$85 or \$850. Five such bonds are valued by multiplying 5 x \$850 = \$4,250.

Bonds are often listed as debentures. Unquoted bonds should be listed at face value.

Multiply column (D) times column (E) for a value per bond type.

#### SECTION 4: LOANS, NOTES AND MORTGAGES RECEIVABLE AND LAND CONTRACTS

The "type" of note column must be completed for proper valuation. Secured notes are valued at 100 percent of the balance due, while unsecured notes or loans are valued at 85 percent. Original Face Value (column A) and Credits to Date (column B) should be indicated for all notes or loans.

**NOTE:** *Secured mortgages are valued at 100 percent of face value, while second mortgages and land contracts are valued at 85 percent of face value. This listing should include noninterest bearing notes, loans, etc., and family notes, loans, etc.*

All of the section (3–4) totals should be added and entered on the bottom line of the front of the return, and then be carried over to the top line of the reverse side of the return.

## SECTION 5: TRUSTS

The “type” of trust column must be completed with the totals summed. If the trust contains bonds or any securities other than cash, these **must be itemized** by the trust and attached to the original return. Do not include stocks or money market funds held in a trust account.

## SECTION 6: CASH AND DEPOSITS

Please note that money in hand and in lock boxes and petty cash must be listed based on the amount held as of January 1. **Deposits in Kentucky banks are reported and paid by the institution on behalf of the depositor.**

“Nonbanking institutions” include out-of-state savings and loans, out-of-state savings banks, brokerage firms, etc. Do not list cash on deposit in Kentucky banks, out-of-state banks, Kentucky savings and loan associations, or credit unions.

Life insurance proceeds subject to withdrawal are valued at face value. This represents money actually owned by a taxpayer that is left with an insurance company at interest.

## SECTION 7: OTHER RECEIVABLES

All accounts receivable of every taxpayer (corporate or individual) in Kentucky are taxable, including receivables of cash basis taxpayers. Accounts receivable are valued at 85 percent if unsecured; however, the face value as of January 1 must be reported. Secured installment accounts are valued at 100 percent of the unpaid balance as of January 1. Unsecured installment accounts are taxable at 85 percent of the balance due as of January 1. Interest, rents and dividends due but unpaid as of January 1 are also valued at 85 percent; all overdue rent or rents receivable must be reported here. Compile the “Grand Total of Sections 3–7” and enter the total.

## SECTION 8: INTANGIBLES SUBJECT TO 1½ CENT STATE RATE ONLY

The 1½ cent per \$100 tax rate applies to accounts receivable and “any other intangible property rights arising out of or created in the course of regular and continuing business transactions substantially performed outside this state” (KRS 132.020).

The 1½ cent rate also applies to intercompany accounts, such as notes, bonds and accounts receivable. Intercompany accounts in this context include only those accounts between a parent and subsidiary. Brother and sister company accounts do not qualify.

Section 8, Lines (1) and (2) apply only to corporations and do **not** apply to individuals.

Rights, royalties, patents, copyrights and tobacco base allotments are also taxed at the 1½ cent rate. The value of rights, royalties and patents is based on annual income capitalized at current market interest for the life expectancy of the income stream. To value tobacco base allotments, the poundage should be listed and the PVA (or Department of Property Valuation) can be contacted for the value per pound.

## SECTION 9: RIGHTS TO RECEIVE INCOME (ANNUITIES)/ RETIREMENT PLANS/NON-KENTUCKY IRREVOCABLE TRUSTS/INTANGIBLE PROPERTY OF BANKS

Life and term annuities and qualified retirement plans, such as Keogh plans, IRAs, etc., are taxable. Out-of-state, irrevocable trusts, in which the **current beneficiary** receiving the income is a Kentucky resident, should report the value of income received. Funds in IRA accounts with **Kentucky** financial institutions (banks, savings and loans, etc.) should be reported by these institutions as deposits and **not by the individual. Do not report stocks, mutual funds, options or warrants held in IRA accounts.**

Section 9, Line 4, is used by financial institutions (banks) to list money in hand, notes, bonds, accounts, other credits and all other intangible assets. Bank deposits are reported on Revenue Form 62A850, Bank Deposits Tax Return.
